

Party In A Box!

This is a great way to add incremental sales to your already packed party line-up:

Attach the following Letter to a Tupperware 2 Qt. Impressions Pitcher, ShelfSmart Slim Rectangle 4 or Cereal Storer, etc. Give it to the people who don't have time to have a traditional party with you. Tell them to pass it around to their friends, family, neighbors & co-workers & collect orders.

Along with all the catalogs & supplies listed below, I would also include a Record Breaker Host Flyer & a pen!

Party In A Box!

In this box you will find 2 Catalogs, 2 Monthly Flyers, a tax chart, 10 order forms & 10 Game Gifts. All you need to do is let your friends know about this "special" box & collect orders & the payment. Each person that gives you an order gets to choose a Game Gift...compliments of your Tupperware Consultant!

Once your sales reach \$200...you may choose any item out of the catalog for 1/2 price...

AND

for handling the orders, you get to keep this "special" box!!!

When I pick up the orders on _____ I will also have a bunch of extra goodies to thank you for helping me achieve my Record Breaker sales goal of \$ _____!!!!

Your Tupperware Consultant,

You will receive your orders within 2 weeks after I collect them.
