Here are some tips for planning your Tupperware Party:

Opportunities for you as a host:

- The BEST opportunity for you is to purchase the Tupperware Opportunity Package for \$99.99. With a value of \$350, it's a great cross section of our most popular products. You'll have the opportunity to purchase Tupperware at an additional 25% off for 4 months, have consultant privileges, and receive weekly updates from Tupperware!
- Shop for FREE from our catalog *or* choose one of our prepackaged Tupperware host gifts from our sales flyer, depending on your sales and future bookings!
- You'll also have the opportunity to purchase between one and three items at 50% off, depending on your party sales!
- Receive exclusive Thank You and Dating gifts from Tupperware.
- Allow me, as your Consultant, to show my appreciation to you with so many other great gifts!

As a host, there are many things that you can do to ensure that you have a successful party:

- Allow me to send an "e-vite" to all of your friends and family to advertise your Tupperware party.
- Having at least 10 guests at your party means that I will bring my "\$5.00 basket". All purchasing guests will be able to shop for some great \$5.00 specials from my basket of goodies!
- Always remember that not everyone you invite will be able to attend your party, but outside orders are always welcome. Please use the enclosed catalogs and sale flyers to gather as many advance orders as possible—this will increase your party sales and help you get more for free!
- Help me to help you maximize your host benefits by giving me at least two recommendations of people you know who would like to host their own Tupperware party!

As my very special Host, I would like to invite you to a Tupperware guest event. This event is designed to give people a behind the scenes look at what we do in Tupperware. It will be a fun informative evening, and all guests receive special gifts for attending!
