## Gift Cards!

## Your Billboard In Their Billfold!

- \$55 billion dollars in gift cards were sold last year.
- By 2007 the sales are expected to reach \$85 billion.
- CBC Studies show people spend more on gift cards than gift certificates. The average gift card value in 2004 was \$64- twice the amount of the average gift certificate.
- 61% percent of customers say they spend more than the gift card value.
- When offering the option to purchase an e-gift certificate card, you are advertising your website for future purchases and customer convenience.

### Order e-Gift Certificates to validate your Tupperware e-Gift Cards.

Go to your <http://my.tupperware.com/username> website, Click on this picture. When information screen comes up follow these 10 Easy Steps.

1. Enter a First and Last Name or Initial
2. E-mail Address – **Your** e-mail address!
3. Enter a Message: Enter a message to helps you remember who this is for.
4. Enter Amount of Certificate – As low as \$10 and as high as \$1000
5. Click on VIEW CART at the bottom of the screen.
6. Your next screen is your Billing and Shipping information – enter the Customer's Billing address.
7. For the Shipping address click on "Same as Billing Address"
8. Click on Continue Checkout to the final screen before you submit the order.  
Double check that you have ordered the certificates for the correct amount.
9. Enter CUSTOMERS credit card information and then hit PLACE MY ORDER
10. Payment is now Authorized and in a few minutes you will get TWO e-mails.
  1. The conformation the order was placed.
  2. The certificate number and codes for the back of the e-Gift Card.

**To purchase cards please see your Legacy Executive Director.**
