THE DEMO

- Create the need by vocalizing and painting a picture of common kitchen food storage challenge

THEN...

- Feed the need for the product by offering a solution to their storage and food spoilage challenges

Modular Mate Marketing 101

- Why Modular Mates over other food storage systems?

SAVINGS:

time

space

waste

taste

money

Modular Mate Marketing 101

- Time—you can see what you need to replenish when making your shopping list
- Space—increase your storage space by 30%
- Waste—no insect invasions, no more spaghetti showers—rice should only rain down at weddings!
- Taste—food stays fresher longer
- Money—spend less—no need to replace stale or infested food

Modular Mate Marketing 101

During the demonstration:

- Show them what container they need
- Feed the need by sharing the benefits
- Let guests share what they use the container for if they have it (ask me why)
- Tell them how to get products at a discount or free!
